

# MD LOGISTICS FAMILY OF COMPANIES

MD Logistics is an asset-light third-party logistics provider serving manufacturers in the life science, pharmaceutical, retail, and consumer goods industries. The Company operates two main divisions, MD Logistics and MD Express.

MD Express is a licensed broker specializing in cold chain full truck load, LTL, and value added deliveries.

MD Logistics provides warehousing, distribution and fulfillment services to our pharmaceutical and retail vertical markets.

MD Logistics provides high quality, customer driven, end-to-end, supply chain services, with an emphasis on creating long term partnerships. The MDL Team offers clients a turn-key, streamlined approach to supply chain management.
